

What's Missing?

Most of a butterfly's body parts are hidden in the puzzle below. One very important part is missing, though. Print the puzzle, then find and circle the words from the word list. Write the

letters that you didn't circle (in the order they're listed) until you

run out of blanks. They will spell a message about

the missing butterfly part.

S I D R I N K N E S E C
T C A D R W I T H G A A
P R A O T B O S C N N I
S E R L G A R K Y I N Y
H F A M E I R J U W E T
